Identifying, Preparing and Examining Expert Witnesses

This CLE will review the entire process of an expert’s mission, from the initial report drafting to trial cross-examination, highlighting issues and concerns of the case, the expert’s professional and personal perspectives, and their independent opinions. We will discuss preparing for, conducting and defending a Daubert hearing and challenge; preparing your expert to testify at a deposition and trial, and in deposing opposition experts; and mastering direct and cross examination of experts at trial (including do’s and don’ts). This CLE will be of interest to all litigators and in-house counsel. **Judge Michael Simon**, US District Court, **Judge Judith Matarazzo**, Multnomah County Circuit Court, and **Miranda Summer**, Summer Family Law, LLC, will present this CLE.
